**Meet Your Board - President Joe Fras**

Diane Macdonald

This is the beginning of a number of articles to introduce you to your Rotary Club of Calgary Board of Directors. In this issue of the COG we will be featuring President Joe Fras and President Elect Bill Hamilton.

"I joined the Rotary Club of Edmonton Downtown in the fall of 1992 at the suggestion and urging of a good friend. After attending a couple of introductory meetings, I liked what I saw and signed up for the tour.

I had also been approached for membership with the Kinsmen and Jaycees I was attracted to Rotary because of the its ideals of service above self, conducting itself with unwavering integrity in all its actions and its commitment to working towards international understanding and goodwill. Also, I was impressed by the energy and the friendliness I experienced at my first 'looksee' Club meeting.

## Meet our Board Members - Bill Hamilton

Barb Young

Bill is a CPA and a partner in Ernst & Young. He currently focuses on private businesses, family, owner managed & private equity – both large and small.

Bill first encountered Rotary when he was on the Board of the Chamber of Commerce in New Westminster, BC. When he was transferred to Edmonton, he was looking for a way to become involved in the community and remembered Rotary. He joined an Edmonton club in 2002 where he served as both Treasurer and Director of Youth Services. He was subsequently transferred to Calgary in 2015, but didn't join Rotary immediately. It was after meeting Eric Bennett, through business connections, and then George Brookman (who became a client) that he decided that the Downtown Club was near his work and would be a good club for him.

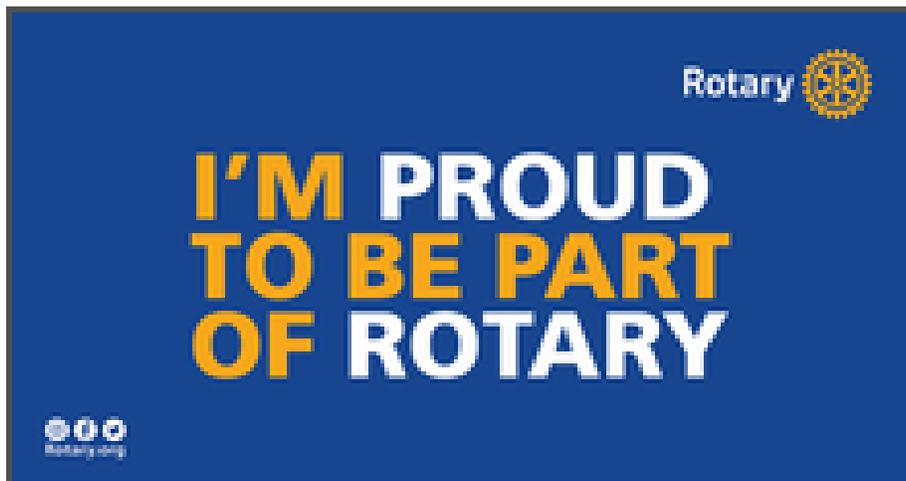

Good work Eric and George!

Bill feels privileged to be the incoming Club President. He hopes to set an example of how younger members can take on the leadership role in the club and balance it with career and family. He has done a lot of work on governance as Club Treasurer and is hoping that now he will be able to focus on providing a great Rotary

experience for members. He is looking forward to continuing initiatives that make memberships fun and rewarding. Our club should focus on a “vibrant and exciting” culture with great meetings and fellowship. In addition to the wonderful work we do internationally and

at home, membership should be a great personal experience where everyone is appreciated and involved.

We look forward to having Bill as our leader for the 2025/26 Rotary year.

## Going Big - Rotary's Program of Scale

Doug McMillan

Our Rotary members oversee or champion many global grants. We typically run at least 5 concurrent projects, all with budgets below USD 400,000. This year, one of our club members is part of a project team looking to secure a Rotary Programs of Scale grant. Now we're talking the BIG LEAGUE! With a 2 million USD Programs of Scale grant combined with contributions from other partners a total budget of 6 Million USD is aimed at "Empowering Families, Growing Futures: Improving Maternal and Infant Care in East Africa".

## Granting Strategy Implementation Team Update

Steady Pinney

What is a Focus Area Advocate?

Thanks to Deb, Franco, Howie, Manon, Randy, Steve, and Trevor for helping the Granting Strategy Implementation Team figure out what roles will be needed to support our four, new focus areas.

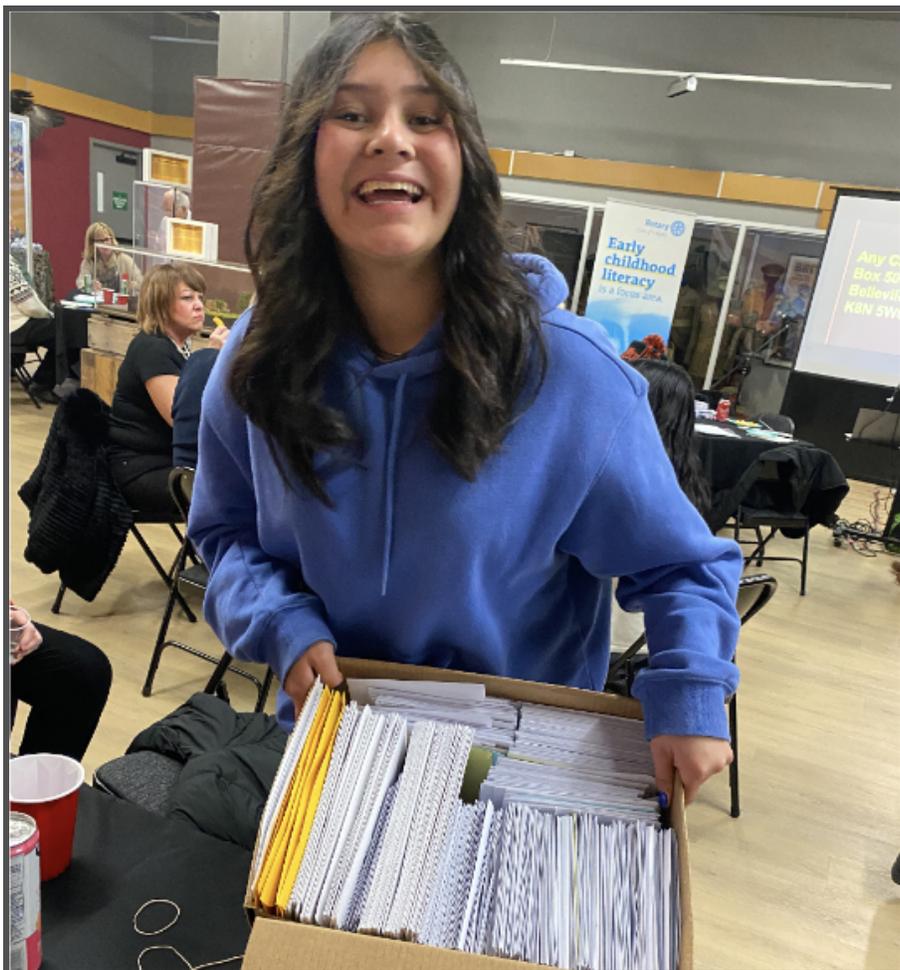

Rotary has had the important role of Champion for several years. This role is used by many of the local, and international, granting committees (ie: small, major and legacy) It involves one (or more) Rotarian agreeing to meet with an organization who has submitted a funding application. This role helps the Club get more information to better evaluate proposals and make decisions about where Rotary funds will go. Champions are primarily used by committees that have a budget. The Early Childhood Literacy Committee is another granting committee but it uses a community advisory, not Champions, to decide how Book Sale proceeds will be strategically spent for greater impact.

## Trini Needs a Home

Barb Young

We are looking for a home for our delightful exchange student from Chile. Trini, for the final part of her stay in Calgary. The start time is somewhat flexible, starting after the **middle of March** until shortly after the Stampede, at which time she will be heading home.

Trini has been staying with a family who volunteered through Stampede Park Club (her joint hosts) and will be moving to Manon and Kurt's just after Christmas. She has been working hard on her English and is now able to carry on a conversation. We are giving her a bit more time and then she will be making a presentation to the club.

Hosting an exchange student is a wonderful experience, as her host parents can tell you. Not only do you give them a chance to learn another culture, but you make a friend for life. Students who we have sent abroad tell us that it is a life changing experience.

If you would like more information or would like to

host Trini please contact [Barb Young](#), [John Hsu](#), [Craig Henderson](#) or [Manon Mitchell](#).

## Is Your Profile Ghosting Us? Update Your Digits

Manon Mitchell

When you join our club, your personal information is recorded in your profile.

Basic data like your phone number is critical for communications. There are a three (3) phone number fields in your profile: **Business Phone**, **Home Phone** and **Cell Phone**.

BUT the setting which people sometimes forget to adjust is the PREFERRED Phone. Your choices there are to pick either your **business phone**, your **home phone** or your **cell phone** (you don't have to enter a number, just pick from the options)

WHY is this important? The impact of this shows up in some reports, particularly for committee chairs. The default phone number reported is that of the PREFERRED PHONE. So if you have not set your preferred number, there is a blank space beside your name where the phone number should be.

To learn how to set your preferred number click Read More.

## Community Hubs 2023 Annual Report

**Howie Shikaze**

In 2017, the Rotary Clubs of Calgary became a founding partner in the Community Hubs Initiative with the United Way Calgary and Area and the City of Calgary. Rotary committed \$2,000,000 over 5 years to activate this ambitious poverty reduction strategy. Seven years later, Community Hubs continue to flourish. This important work is showcased in the Community Hubs Initiative 2023 Annual Report which can be viewed by clicking on [flipbook](#) or [downloading the pdf](#). The report notes that 453,161 Calgarians have been engaged since 2017, including 75,039 in 2023.

Join Rotary on December 17 at noon at the Palliser Hotel when the keynote speaker will be Karen Young, CEO, United Way Calgary and Area. Karen will provide an update on Community Hubs and the work of the United Way. To register click on [events](#).

Thank you for your past, and, for many of you, continuing support of Community Hubs. Your role as a presenter, community partner, Rotarian and community member continues to be critically important to the success of this ambitious project.

## Put Your Best Face Forward—Update Your Profile Pic!

Manon Mitchell

When was the last time you updated your picture on Club Runner? With new members coming in, it is important to be aware that they may not remember your name but they will remember your face. When they look at the club directory and try to find you, seeing your face will make it way easier for them, and all of us actually, to know that we have found the right person.

Are you a newer member? The same holds true here. If you have not uploaded a picture to your profile, all we see is a blank avatar.

Let's help each other and update your picture on your ClubRunner profile today. Instructions can be viewed by clicking [Read More](#).

## Great News From Guatemala

Bill Skinner, Rotary Club of Calgary Heritage Park

As funders of the project in Guatemala, GG2349347, “Water system re-design and home connections – Canton of Quiacquix”, here is an update. I want to tell you that work has begun on the ground in Quiacquix this past week. I’ve attached a few photos, showing both delivery of some of the materials and the trenching and laying of some water lines. Preliminary plans indicate that work will take about 6 months.

I will be taking 9 people to Guatemala with me in late January. Most are Rotarians and funders of this project. We will be able to see the project in an advanced state of work. We will also visit several other projects, most of which my club is at least partly funding, some with district or global grants.

Check out the pictures of the amazing work by clicking Read More ...
