When is the COG published?

Manon Mitchell

The COG, the electronic newsletter informing our members of our club's activities and interesting articles, is published approximately every 2 weeks, usually (but not always) the week when we do not have an inperson club meeting. We'd love to send it weekly but it takes about 6 hours to put together so every other week will have to do.

You can find the publication dates below and on our website under [Members > COG Bulletins](#)

If you'd like to have us publish an article or have an idea about what we should be publishing, please forward your ideas to [Manon](#) or [Diane](#) by the FRIDAY before the Tuesday publication date.

You are also welcome to contact either Manon or Diane to discuss any idea you may have.

Here are this year's publication dates:
