

Joint Membership Application

Vision

The Rotary Club of Calgary is committed to improving the quality of life in the communities we support, and for our partners and Club members. It is a sustaining community investor, inspiring others towards service and philanthropy, a model for the values of Rotary within the communities we serve locally and internationally.

Mission

To provide a memorable Rotary Club experience by giving members the opportunity to contribute by working together utilizing their skills, experience and interests in making a difference in the lives of others.

History

The Rotary Club of Calgary has been in existence since 1914 and has a proud history of fundraising and assisting worthwhile causes within the City of Calgary, the Province of Alberta, and the world. We are one of 12 Calgary-based clubs, and also one of the largest Rotary Clubs in Canada.

The Responsibilities of Membership

1. We expect members to be engaged in Rotary. This can take a variety of forms:
 - Attending weekly luncheon meetings
 - Volunteering on community projects
 - Serving on at least one committee (some committees hold evening meetings, while others meet on weekdays)
 - Attending fellowship events (usually scheduled for evenings; partners are welcome to participate)
 - Serving on District, Zone or Rotary International committees
2. Joint Membership is for individuals that cohabitate. The annual dues are \$453.75 per person for those age 40 to 69, and \$412.50 for those 70+. Annual dues are for the year must be paid within 60 days of annual demand.
3. New members pay an initiation fee of \$100. For Joint Membership, only one initiation fee is payable. If one of the Joint Members is currently a club member, then no further initiation fee is required. In addition, the current member does not have to fill in an application form.
4. Regular charitable giving (at a level you can afford) to The Rotary Foundation and the Calgary Rotary Funds Foundation is expected. Both foundations financially support our international and local projects respectively, as well as supporting good works that bring great benefit through Rotarians everywhere.
5. Volunteer for at least one of our service projects such as the Feed the Homeless dinners.

Joint Membership Application

6. Committee work expectations

Members are expected to join and be full participants in at least one of the club's service, fund-raising or organizational committees. Committee membership enables members to develop close friendships while working alongside fellow members, to achieve good outcomes for the club and for humanity, and to have fun along the way. Meeting attendance will be documented by the committee chair.

7. Pass a Police Information Check within 3 months of being approved as a new member. The cost is covered by the Club.

Application Process

Your membership application will proceed through the review process and on to the Board of Directors for final approval. In total, the whole process will take approximately eight weeks. We will contact you shortly to arrange an interview and to discuss your questions and the merits of your membership in Rotary.

We encourage you attend at least two Rotary Club of Calgary meetings prior to submitting your membership application.
